

# **SureFire II Lubricator**

### **FEATURES & BENEFITS**

- · PDI version handles oil and fluid greases
- SLR version handles oil
- Low level switch for fail safe operation
- Lubrication outlet connections on either side for easy installations
- Plastic and metal reservoirs available
- Convenient terminal block provides fault-free electrical connections

- Large capacity fill cap with built-in strainer minimizes contamination
- Three integral control options available; On-Off Timer,
   Lite Controller, and Premium Controller
- Also available without integral control, for operation via customer PLC, DCS, etc.

### PROVEN QUALITY, RELIABILITY AND ACCURACY. THE SUREFIRE II FROM BDI.

#### **GENERAL**

The SureFire II Lubricator is an automatic, robust and durable pump. Its compact size is designed to fit your space requirements and lubrication demands. The SureFire II Lubricator is a self-contained electric motor-driven gear pump that can adapt to a broad range of production machinery. The PDI version can handle oil or fluid grease for single injectors or injector groups serving up to 100 lubrication points. The SLR version uses oil to supply resistance fittings or resistance fittings groups serving up to 100 lubrication points. The SureFire pump's versatility also allows it to perform with other lubrication system types and multiple applications.

3 Liter Single Phase w/ Terminal Block

## **TECHNICAL DATA**

250cc/min @ 60 Hz 210cc/min @ 50 Hz	
250cc/min	
PDI	450 psi (31 bar)
SLR	75 psi ( 5 bar)
PDI	Closes at 290 psi (20 bar)
SLR	Closes at 20 psi (1.4 bar)
Standard Oil version:	20 to 1500 cSt @ operating temperature
Light Oil version:	5-40 cSt @ operating temperature
NLGI grade 000 - NLGI grade 00 (40,000 cSt max)	
40 mesh, removable	
2 liter 3 liter 6.0 liter 12.0 liter	
Luran (Blue Tint) for 2, 3 and 6 liter Steel for 2, 3, 6 and 12.0 liter	
100/115 VAC 50/60 Hz 200/230 VAC 50/60 Hz (single-phase) 24 VDC	
100/115 VAC	1.0 amps
200/230 VAC (single-p	hase) 0.70 amps
24 VDC	2.4 amps
40°F through 105°F (5	°C through 40°C)
IP-54
